Warning

This computer system is a United States Government information system operated by the Commodity Futures Trading Commission ("CFTC"). This system is to be used only for authorized purposes by individuals who have been granted access rights by the CFTC. Misuse of this computer system is a violation of Federal law. See Computer Fraud and Abuse Act of 1986, Pub. L. 99-474, 100 Stat. 1213 (1986). Unauthorized access or use of this information system is prohibited and may be subject to criminal, civil and/or administrative action. The Government routinely intercepts and monitors communications and information on this system, for example, to address security vulnerabilities and other risks. All users of this system, whether authorized or unauthorized, are subject to monitoring by the CFTC and other authorized Federal Government officials. Anyone using this system expressly consents to such monitoring. All of the information transmitted or stored on this system may be intercepted, recorded, read, copied, searched, seized and disclosed by and to authorized personnel for official purposes consistent with CFTC policies. Users have no reasonable expectation of privacy when using this system or in any communication or data which is transmitted or stored on this system. Personal information submitted through this system is collected, stored and otherwise processed as stated in the Portal Privacy Policy.

Any information an individual submits to the CFTC must be true and accurate. The making of a false statement to the CFTC may be a basis for administrative action under 7 U.S.C. § 9 and may be punishable by fine or imprisonment, or both, under 7 U.S.C. § 13 or 18 U.S.C. § 1001.

By clicking "Accept", you acknowledge that you have read, understand and consent to the above, to the [Terms of Use Agreement](#) and to the processing of your personal information as stated in the [Privacy Policy](#).

4. Upon successfully entering the proper credentials, choose an authentication method. Two options will be provided – Text Message and Automated Phone Call. A third option, “Authentication App”, will be available after following the steps at the end of the document.

In this example we will choose Text Message.

The screenshot displays the CFTC Portal interface. At the top left is the CFTC logo, which includes a stylized American flag and a bar chart, with the text 'CFTC' in large blue letters and 'COMMODITY FUTURES TRADING COMMISSION' below it. A dark blue horizontal bar across the top contains the text 'CFTC PORTAL' in white. The main content area is white and features a central white box with a light blue border and a drop shadow. This box is titled 'Select your authentication method' in bold black text. It contains two radio button options: 'Text message' (selected) and 'Automated phone call'. Each option includes the instruction 'Get security code to +1 (xxx) xxx - 6535'. Below these options are two buttons: a blue 'Submit' button and a red 'Cancel' button. At the bottom of the page, a dark blue footer contains the following text in white: 'U.S. COMMODITY FUTURES TRADING COMMISSION', 'Three Lafayette Centre, 1155 21st Street, NW, Washington, DC 20581, 202.418.5000', and 'Privacy Policy | Terms of Use Agreement | Support | Frequently Asked Questions'.

5. A text message with a six-digit code will be sent to the phone number associated with the user's account. Check the mobile device for the code. In this example the code is 398804.

6. Enter the code into the text box and click Submit to complete the Sign In process.

The screenshot shows the CFTC (U.S. Commodity Futures Trading Commission) portal. In the top left corner, there is a logo with the text "COMMODITY FUTURES" and "CFTC". A dark blue horizontal bar is positioned below the logo. A white pop-up window is centered on the screen, titled "Check your phone" with a mobile phone icon. The text inside the pop-up reads: "We sent a security code to +1 (xxx) xxx - 6535", "This code will expire in 15 minutes.", "One-time security code", and a text input field containing "398804". Below the input field is a blue "Submit" button. Further down, it asks "Didn't receive text message?" with a blue button labeled "Get another Code" and a link "Choose another authentication method". At the bottom of the pop-up is a red "Close" button. The background of the portal is a light gray color. At the bottom of the page, there is a dark blue footer containing the text: "U.S. COMMODITY FUTURES TRADING COMMISSION", "Three Lafayette Centre, 1155 21st Street, NW, Washington, DC 20581, 202.418.5000", and "Privacy Policy | Terms of Use Agreement | Support | Frequently Asked Questions".

7. The User will be successfully authenticated and redirected to the Forms page on the Portal.

The screenshot displays the CFTC portal interface. At the top left is the CFTC logo with the text "COMMODITY FUTURES TRADING COMMISSION". At the top right is a box for "DCO GLOBAL WORLDWIDE Derivatives Clearing Organization (DCO)". Below the header is a navigation bar with links for "Forms", "Submissions", "My Account", and "Sign Out". The main content area is titled "DERIVATIVES CLEARING ORGANIZATION (DCO)" and contains a list of forms:

- Rules
40.5(a), 40.6(a), 40.6(d), 40.10(a), 40.10(h) Rules
- Monthly Report
39.11(f)(1) Monthly Report
- Quarterly Report
39.11(f)(1) Quarterly Report
- Audited Financial Statements
39.19(c)(3) Audited Financial Statements
- Chief Compliance Officer Report
39.19(c)(3)(i) Chief Compliance Officer Report
- Event Specific Report
39.10(c)(4), 39.11(f)(4), 39.12(b), 39.18(g), 39.18(h), 39.19(c)(3), 39.19(c)(4), 39.19(c)(5) Event Specific Report
- Acknowledgment Letter
1.20(d)(4), 1.20(g)(4)(iii), 1.26(b), 22.5(b), 30.7(d)(4) Acknowledgement Letter

At the bottom of the page, the footer contains the following information:

Configure Authentication App

The preferred and most secure method for authenticating with the CFTC Portal is to use an Authentication App. This section will show in three easy steps how to enable this feature when signing in to the Portal.

Navigate to the My Account page to begin the process.

DCO GLOBAL WORLDWIDE
Derivatives Clearing Organization (DCO)

Forms Submissions **My Account** Sign Out

TWO-FACTOR AUTHENTICATION

If you don't want to receive security codes by text or phone call, you can set up an authentication app on your device to generate security codes. Once enabled, you will be able to use the one-time passcodes generated by the application each time you sign in instead of receiving a text message or a phone call. If you are having difficulty setting up the authentication app, you will need to contact the app developer directly for assistance.

Authentication Application

1 Install an authentication app.

Some popular options include:

- [Google Authenticator \(iOS/Android\)](#)
- [Authy](#)
- [1Password](#)
- [LastPass](#)
- [Microsoft Authenticator](#)

2 Scan QR barcode.

Or enter this code manually into your authentication app

GM3TCYRZHFSDKYZXMY4GCOBYMY

3 Enter the code from your app.

Submit

Phone +1 6535

Do you want to update phone number? No

If the user doesn't already have an Authentication App on their mobile device, then choose to install one of the options below or another software-based authenticator.

Some popular options include:

- [Google Authenticator \(iOS/Android\)](#)
- [Authy](#)
- [1Password](#)
- [LastPass](#)
- [Microsoft Authenticator](#)

Complete the remaining steps by scanning the QR Barcode or manually entering the code into the Authentication App. The final step is to enter the six-digit code into the text field and pressing the Submit button to complete the process.

The screenshot displays the CFTC (Commodity Futures Trading Commission) portal interface. At the top left is the CFTC logo, which includes a stylized American flag and the text 'CFTC COMMODITY FUTURES TRADING COMMISSION'. At the top right, there is a box for 'DCO GLOBAL WORLDWIDE Derivatives Clearing Organization (DCO)'. Below the header is a dark blue navigation bar with links for 'Forms', 'Submissions', 'My Account', and 'Sign Out'. The main content area is titled 'TWO-FACTOR AUTHENTICATION' and contains the following text: 'You are able to use the one-time passcodes generated by the application each time you sign in instead of receiving a text message or a phone call.' Below this text is a table with two rows. The first row is for 'Authentication Application', showing a green '✓ Configured' button and a red 'Delete' button. The second row is for 'Phone', showing a phone number '+1 [redacted] 6535' and a question 'Do you want to update phone number?' with a 'No' button.
